Our Specialty

Certifications

A.I.F. Build-up Pallet Service

Through in-house **PMC build-up** operations, we ensure professional cargo loading tailored to the characteristics and durability of each shipment. In-house labeling and final inspections guarantee safe and accurate dispatch. In addition, our Volume Cover programs provide competitive and stable air freight rates, while airlines' ULD priority loading policies help minimize shipment delays caused by offloading.

Special Cargo Handling

With over 20 years of experience and expertise, we provide optimal logistics solutions for our customers. We offer specialized services for industrial equipment, including loading, repacking, and repair for oversized and special cargo
